Tasting Notes:

Deep purple color with violet hues, the 2016 Family Tree Shiraz explodes with rich flavours, boysenberries and plums complimented by licorice, cacao bean and cardomom and hints of sweet coconut. Chewy textural tannins swim effortlessly across the palate exposing volumuous brambly fruit notes of black raspberries with smoky vanilla bean. An elegant canvas to showcase a harmonious balance between fruit and oak, flowing to a complex generous finish of black cherry and chocolate.

Winemaker Notes:

100% aged in new American oak hogsheads for 24 months, only the best barrels are selected for our flagship Shiraz. This unapologetic wine pulls no punches, intense and powerful in its style, this youthful exuberance will develop into an elegant, refined wine showing the layers and experience only gained with age.
