2023 Nordic Frost Riesling

About this wine

Where it originated, we aren't sure. It's often only whispered as the cold shoulder or the silent treatment. But that's only a small part of the story. It is the crisp, dry humor that helps balance out the intensity in all our relationships, making us love it the most.

Tasting Notes:

With hues of pale straw, the 2023 Nordic Frost Riesling has a nose flourishing with vibrant aromas of mandarin zest and fresh lemon. On the palate you will find refreshing notes of mandarin and white nectarines with bright acid that carries you through to a salivating lemon lime finish.

Winemaker Notes:

The 2023 Riesling was produced to showcase the freshness and varietal characteristics of the fruit. Picked at optimal ripeness then slowly cold fermented with a specially selected yeast strain to maximize production of aromatics for 20 days to maintain the fresh fruit characters.

Food Pairing: Sesame chickensalad, spicy pork noodles, penang beef curry, charred tomato and pepper salsa snapper

Production: 99 dozen
